Choose Your Benefits

Get Ready Now, Enroll Before Your Deadline

Your benefits marketplace makes it easy to find the right fit. Just choose your coverage level, the price you want to pay, and the insurance carrier you want to work with.

- Watch quick videos to see what your benefits are all about.
- Compare the coverage levels side-by-side.
- Compare the costs of your health care options to find the best deal.
- Get to know the carriers through [Your Carrier Connection](#)—get overviews, compare specially designed programs, and access preview sites to see provider networks and prescription drug information.

Enroll

Log on to the [My Health Benefits](#) enrollment website or enroll through the Alight Mobile app.

Use the Help Me Choose tool to get fast answers about the best medical options for your situation by sharing what's important to you—including your doctors and any prescriptions you might take.

Once you've completed your enrollment online, you can view your coverages and follow-ups anytime before your benefits begin.

Remember, you should carefully review all your options. If you take no action, you will not have medical, dental, and vision coverage. To contribute to a Health Savings Account (HSA) (if eligible) or a Flexible Spending Account (FSA) for 2026, you must make an active election.

Use Your Benefits

Throughout the year, there are lots of ways to stay on top of your health, and to make the most of your benefits and your health care dollars. Make sure you're up-to-speed before your benefits take effect.
